Status as of end-September 2022, based on self-reported progress by member jurisdictions that had not yet fully implemented reforms in all applicable areas. Certain recommendations were previously reported to be complete by all jurisdictions (recommendations 1, 3, 4, 8 and 13) or are being monitored separately (recommendation 21). The reforms reported as completed does not mean that no further policy steps (or follow-up supervisory work) are anticipated in that area.
