Overview of the FSB LRS and Cross-border payments programme

Kris Natoli, Member of the Secretariat, Financial Stability Board (FSB)

LRS task force meeting: Monday, 10 July 2023

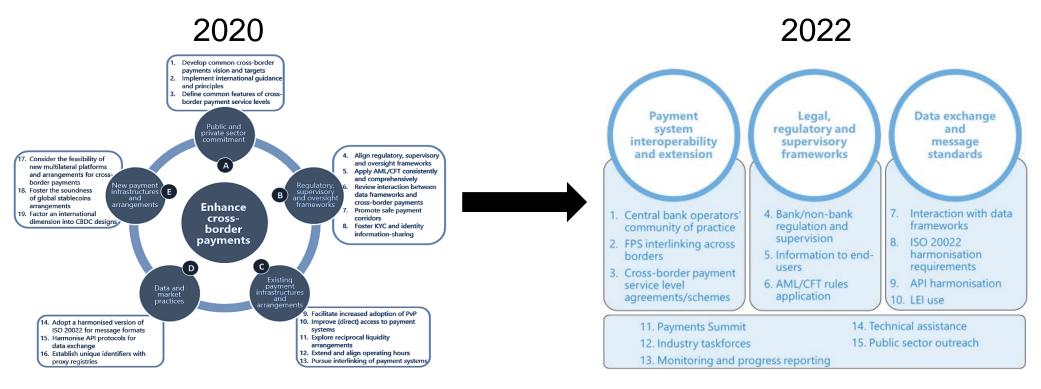

Agenda item 2

Cross-border payments programme and LRS role

From building blocks to priority actions

Work on the building blocks built the analytical foundation for implementation

The priority actions are focused on implementation to achieve the targets

Targets for enhancing cross-border payments

Challenge	Wholesale	Retail (e.g. B2B, P2B/ B2P, other P2P)	Remittances
Cost	No target set	Global average cost no more than 1%, no corridors higher than 3%	UN SDG remittance cost targets reaffirmed
Speed	75% within one hour of payment initiation, remainder within one business day	75% within one hour of payment initiation, remainder within one business day	75% within one hour of payment initiation, remainder within one business day
Access	At least one option for sending + receiving cross-border wholesale payments	At least one option for sending + receiving cross-border electronic payments	90% of individuals to have access to means of sending a cross-border electronic remittance payment
Transparency	Joint target for all market segments: payment service providers to provide a minimum defined list of information concerning cross-border payments to payers and payees		

Priority actions focusing on increased external engagement

Broad, strategic commitments and perspectives

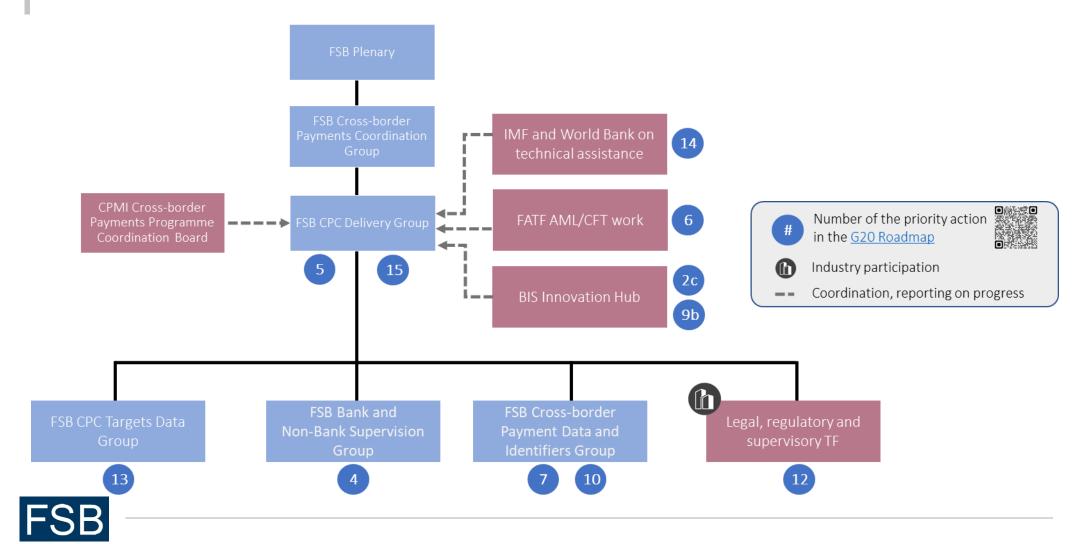

Practitioner advice and collaboration mechanism on provision and modification of cross-border payments

Forum for the exchange of implementation experiences and coordination between public and private sector

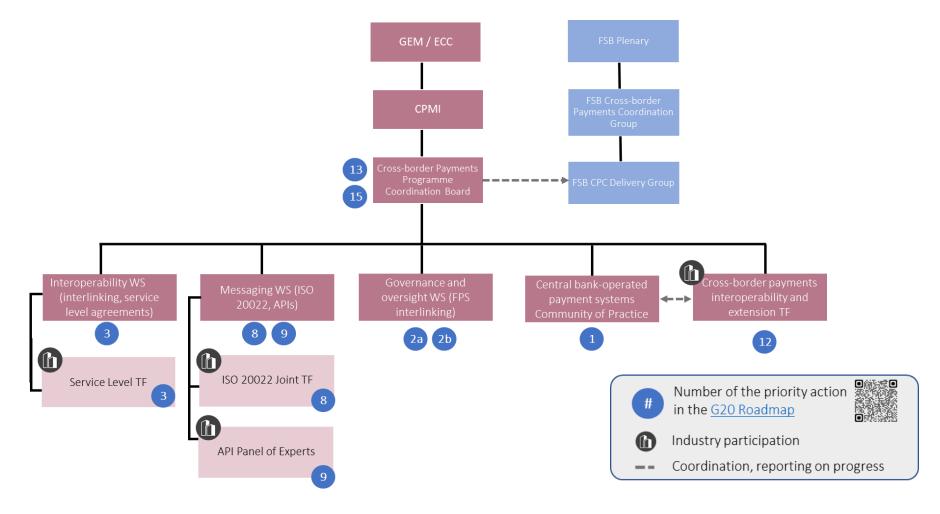

Detailed, technical advice channels

Current structure of the FSB cross-border payments programme

Current structure of the CPMI cross-border payments programme
